

The Guthrie Town Board met at the hall at 8:00 p.m. on January 4, 2010 with Russ Nickerson, Roger Corson, Amanda Lofthus and Rebecca Beevor present. Supervisor Michael Schmidt was absent. The minutes from last month's meeting were approved as read. The Treasurer's Financial Report has been tabled at this time.

Russ made a motion to merge the separate Cemetery fund account with the General, Fire and Building Fund accounts so accounting for all funds can be done on CTAS for end of year reporting needs, etc. The Treasurer will close the old cemetery account as soon as the last debit clears, which is payable to Bemidji Monument. Roger seconded the motion.

The supervisors reviewed the building status and found it to be in very good shape, clean and orderly. There was much discussion concerning the Fire fund as it looks like it will be overdrawn when payment is due to Laporte Fire this year. A recommendation will be made in the next annual meeting to correct any future negative balances.

The next monthly meeting will be held on February 8, 2011 at 8:00 p.m. Russ motioned to pay the bills, Roger seconded it. Meeting adjourned.
