

Guthrie Township
Hubbard County Minnesota
Regular Monthly Board Meeting Minutes
July 2012

The Guthrie Town Board met at the town hall on July 17, 2012 at 8:00 p.m. Present were Russ Nickerson, Michael Schmidt, Amanda Lofthus and Becky Otting present. The Treasurer's report gave a balance of \$67,234.07 in the General Fund with \$7,507.35 in the Cemetery account

Russ obtained a quote from Arrow Land Surveying for \$2,500.00 to survey the south property line of the town hall. The supervisors don't feel that this is an appropriate expense at this time for the township funds to be spent.

Russ, Michael, Roger and Becky took a short road tour tonight and it was determined that there were so many trees in the ditches that Russ made a motion that Corson, Inc remove them from the township right-of-ways. Michael seconded the motion. Also on the tour, Russ made a motion to add 2" gravel on 3/10th a mile on North 245th Street starting south of Ernie Eichberg's driveway and continuing south. Roger seconded the motion. Roger will contact Gladen Construction for the gravel.

Randy Blake contacted Russ that two trees need to be removed from the cemetery. Roger will contact Stephen Rogers to see if he can accommodate this request. Roger has a quote for screened black dirt from Corson, Inc. for the town hall lawn at \$185.00 per 12 yards. Russ made a motion to obtain four loads of black dirt if YOSG will split the cost. Michael seconded the motion.

Kelly Krull stopped by before the road tour and is still concerned about the vacation of their north property line. Russ stated that the township has vacated the road and that we do not anticipate any action to reverse the vacation. He also recommended that she have her property surveyed and contact an attorney to assist with any further action.

The next regular township meeting will take place at 8:00 p.m. on August 21, 2012 at the town hall. Roger motioned to pay the bills. Michael seconded the motion. Russ motioned to adjourn, Michael seconded it.
