

The Guthrie Town board met at the town hall on **November 10, 2009** at 8:00 p.m. with all members present and Gary Lundberg. The minutes from the last meeting were approved as read. The Treasurer's Report gave a balance of \$44,936.45 in the General Fund and \$3,669.35 in the cemetery fund. Deposits were received in the amount of \$2.64 and \$.16.

The town hall's water well was pulled by North Star Well and Drilling and was replaced. The YOSG sign has been repaired and a new light was installed to illuminate the American flag as per Ivy Knoshaug's suggestion. Final gravel has been laid on the township roads by Bunes Trucking as per the 2009 road improvement plan. Rea Drive was viewed on the fall road tour and the only concern was that more gravel should be put down to create a greater crown. The road hearing for Rea Drive will be December 10th at 8:30. There was a lengthy conversation with Andrew Haman regarding general maintenance of both the hall and cemetery grounds. He said he would like to take care of the grounds again next year.

The next meeting will take place on December 10, 2009 at 8:00 p.m. Roger motioned to pay the bills. Russ seconded the motion. Meeting adjourned.
